I know we've said it many times, but I never get tired of repeating how lucky we are to have such beautiful properties. Having such a special place, all to yourself, where you can spend your days peacefully... Here in Tarragona, this house is brand new and perfectly designed.

This brand-new two-story house was built in 2024 and has a total area of 168m², with 117m² of living space and 89m² of terraces. It also features a 500m² garden and a 27m² swimming pool. On the ground floor (69m²), you'll find a living room with a fireplace, a dining area with garden access, an open kitchen, a full bathroom, a storage room, and an 89m² terrace that wraps around the house. The first floor (48m²) includes three double bedrooms, a full bathroom, and a 13m² terrace. The house is equipped with double-glazed windows, air conditioning, and heating via fireplace and electric heat pump.

You'll love it!
