

Mare de Déu de Montserrat / Guinardó

Barcelona / Barcelona ciudad

€1,692

The views from this apartment... Wow! The sunsets and skies must look like a Monet painting—pure impressionism. I can already imagine myself picking up a brush to capture the city. But what I love most about places like this are the storms—you get a perfect view of the lightning and the movement of the clouds. I could spend hours watching the rain pour down.

This 3rd-floor apartment spans 127m² and features a living-dining area with sea views and access to a 6m² balcony, a separate semi-equipped kitchen, a laundry area, four bedrooms (two doubles), and two full bathrooms (one en-suite). It also has built-in wardrobes, heating, and a ceiling fan. The building, constructed in 1980, includes an elevator. It's available now.
