As remodeling and decoration lovers, it's amazing to see how the apartment reflects the city. This is something that I love, a space that shows what Barcelona is, with the coloured tiles, the big windows and the beautiful light.

This second floor (third real) has 85m² and was renovated in 2024. It has two double bedrooms, built-in wardrobes, two full bathrooms (one en suite), living-dining room with gallery, open kitchen and laundry room.
