

Balmes / Tennis Barcino

BCN Zona Alta / Barcelona

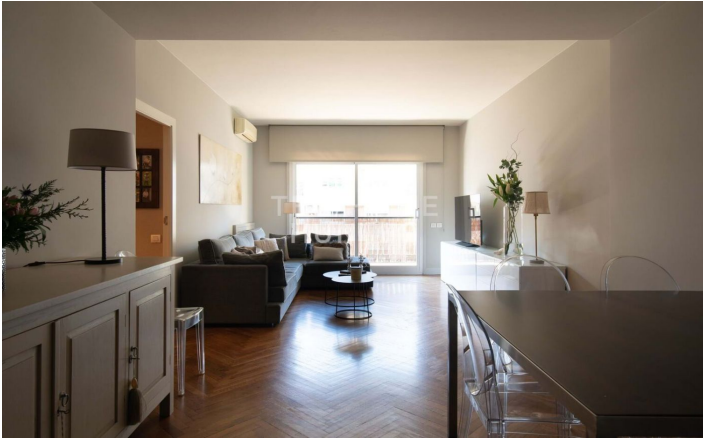

€625,000

I really like it when apartments that we had a long time ago come back. It's like seeing a friend again after a long time, a friend with lots of light, good views and a thousand services nearby to enjoy life inside and outside of it.

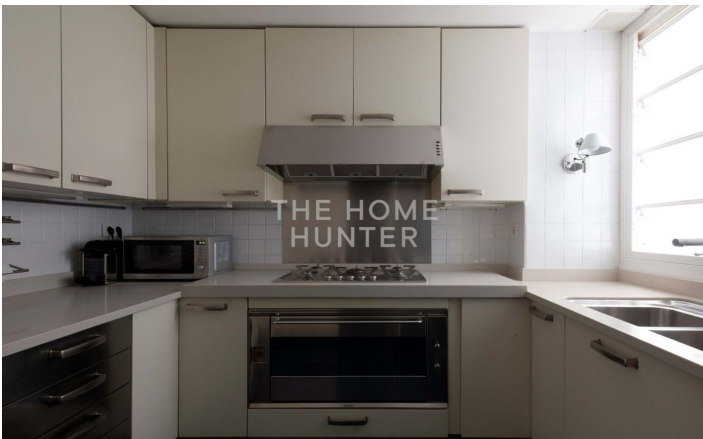

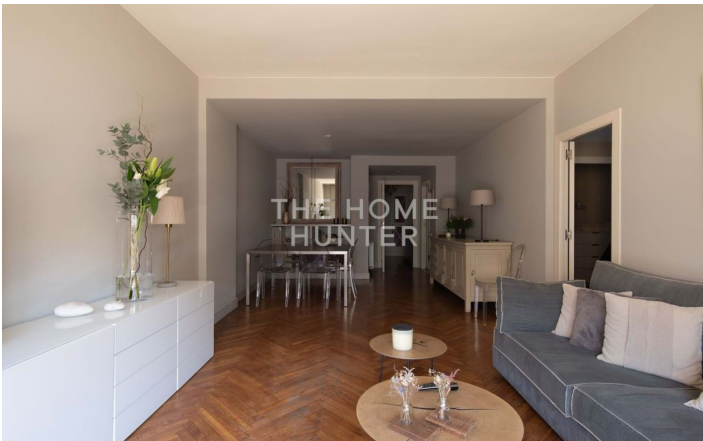

This wonderful apartment in the Upper Zone of Barcelona is a sixth floor of 105m² divided into 95m² of floor, 12m² of terrace and an 8m² storage room in the property. The apartment has three bedrooms (two doubles), two full bathrooms, large living room, separate kitchen and laundry room. It has heating by radiators, as well as air conditioning. The building, from 1964, has two elevators and a concierge. The apartment faces south-west and has built-in wardrobes.

You will love it!
