

Madrazo / Aribau II

BCN Zona Alta / Barcelona

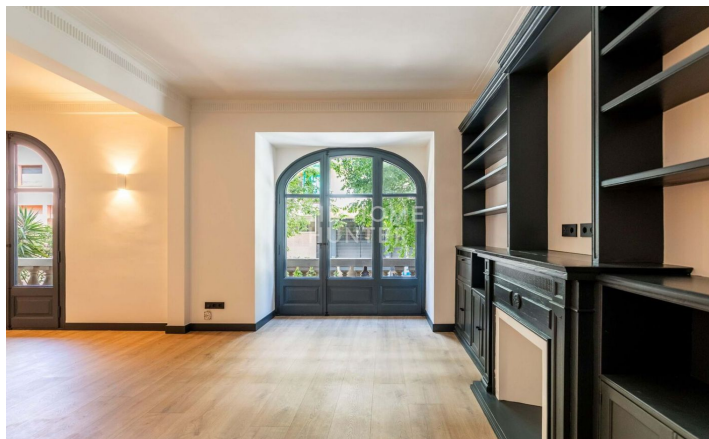

€975,000

This spectacular apartment seems like a sure hit to me, it is prepared for everything that comes. It is one of those apartments that call to you, that when you see them it makes you want to go through all its rooms to start imagining a life there. What an illusion those first steps... And even more so on the most solid foundations, to build a warm, beautiful and cozy home.

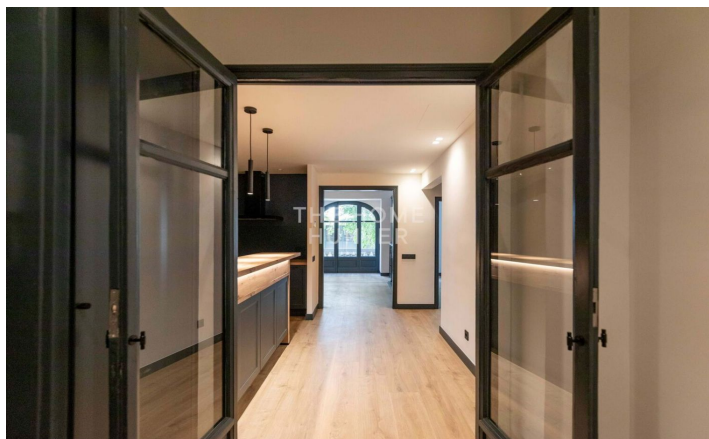

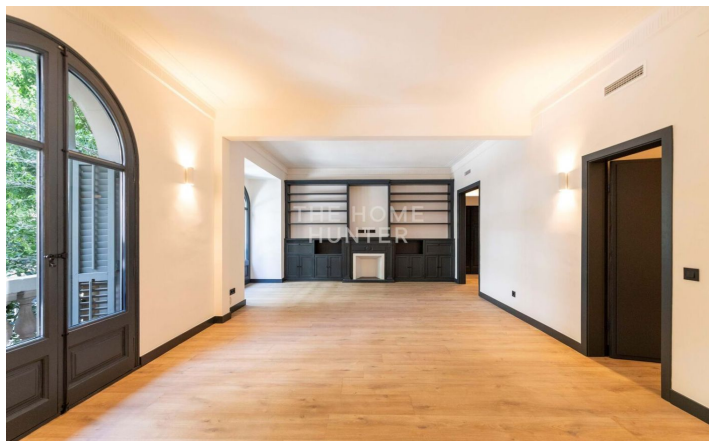

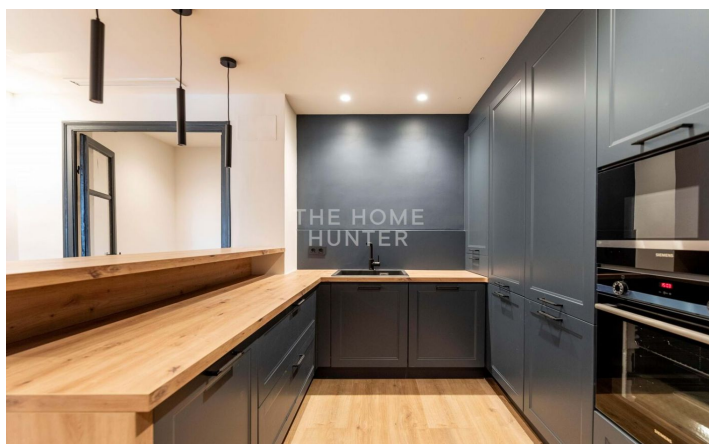

This apartment is a newly renovated and brand new corner first floor. It has 140m² and has three double bedrooms (one of them is a suite), two bathrooms, balconies, a large living-dining room and an open kitchen. It has air conditioning and heating, in addition to being a very bright apartment. The building, from 1931, has an elevator.

You will love it!
