

Muntaner / Sarrià

BCN Zona Alta / Barcelona

€1,150,000

I would love to be able to come from the future and show you what this marvelous apartment in Muntaner of more than 150m² will look like... But the time machine has not been invented (at the moment), so I bring you these photos of the spaces that this nest has. Lots of space, lots of light and, most importantly, incredible potential.

This apartment on the seventh floor is currently being renovated, its delivery date is August 2024. It has 153m², four bedrooms (three doubles), two full bathrooms, balcony, a large living-dining room, separate kitchen and built-in wardrobes. It faces east/west and has air conditioning, as well as a storage room. The building dates back to 1964 and has an elevator.

You will love it!
