

Jonqueras / Trafalgar

Ciutat Vella / Barcelona

€750,000

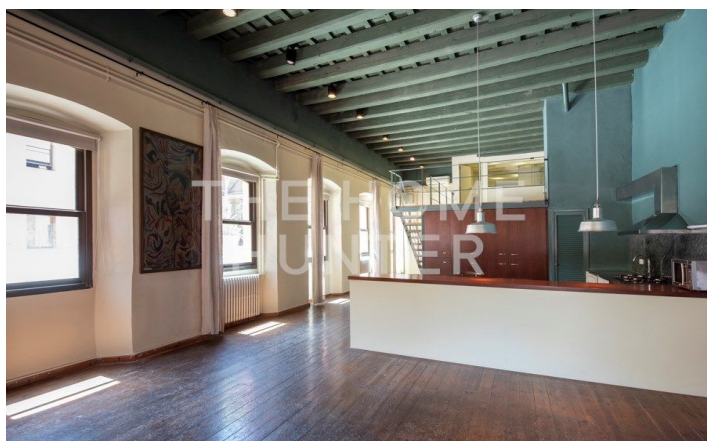

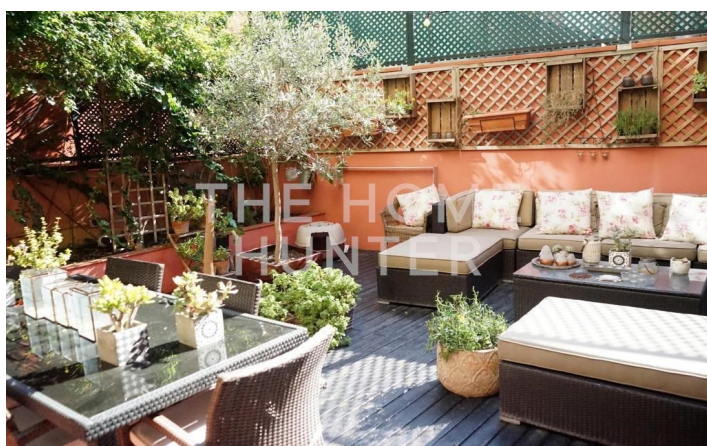

When we get special properties I love finding out more about what it was and what was there, and when I say special it is because in this case, the building was a former convent. The passing of the years has meant that they are currently homes but the interior is incredible, it has a unique vibe, I walked everywhere. Ah! By the way, the street will be pedestrian, a very positive added point.

The apartment is a loft type with a loft and terrace, the floor is 102m² and the terrace is 40m². The living room opens to the kitchen and this entire space has access to the terrace, paved and very pleasant. In total there are 2 double bedrooms and 2 bathrooms, the ceilings are very high and it also has a community patio.

You will love it!
