

Riera Baixa / Gòtic

Ciutat Vella / Barcelona

€260,000

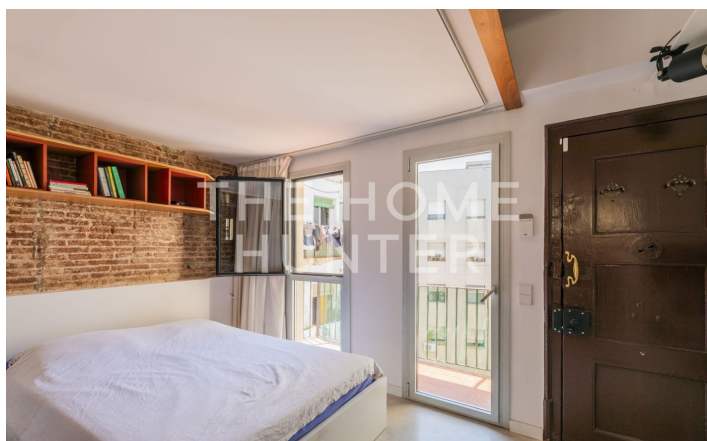

I really liked this apartment because in a small space, it builds a home full of warm. All the elements that we put and remove always help us create that atmosphere of home, of refuge. And it gave me that the feeling when I entered it, I know that whoever buys it will feel at home.

This apartment in Gòtic has 45m² and is a third floor, fourth real. It is renovated in 2023 and has a double bedroom, built-in wardrobes, a full bathroom, a spacious living-dining room with a balcony and an open kitchen. It has double glazed windows, hot/cold air conditioning and the building, from 1900, does not have an elevator.

You'll love it!
