In Barceloneta, a small and pleasant walk from the sea, is this studio in the process of reform, ready to be delivered later this year. The renderings that reach us already invite us to dream, but with this base and location, who does not begin to imagine their future there.

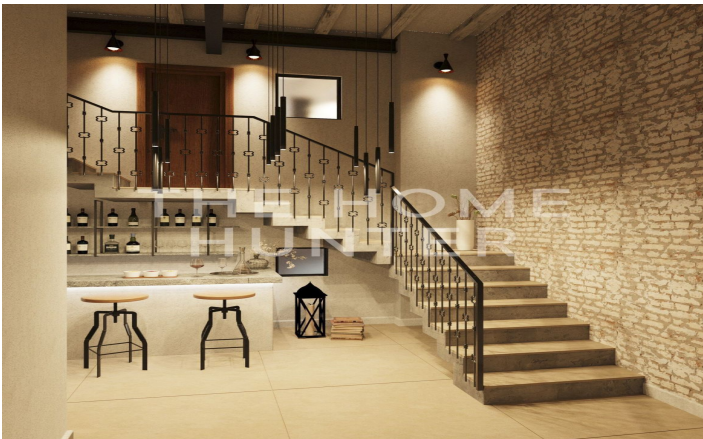

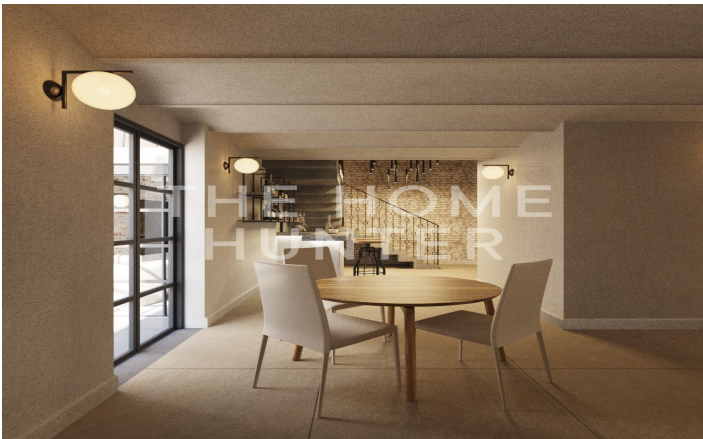

This 129m² studio is in the process of being renovated and is expected to be finished by the end of 2024. Located on the first floor of an estate built in 1900, the property will have two double bedrooms with fitted closets, two full bathrooms (one en suite), a spacious living-dining room with high ceilings, and an open and equipped kitchen. The double glazed windows, air conditioning, and central heating guarantee a comfortable and modern atmosphere.

You will love it!
