

Aribau / Sant Gervasi

Eixample / Barcelona

€894,000

It is recently renovated, has four rooms, in the heart of Barcelona and also has a small terrace. What more could you want? I wouldn't ask for anything, because I love everything about this apartment. Especially those hydraulic floors, what a marvel.

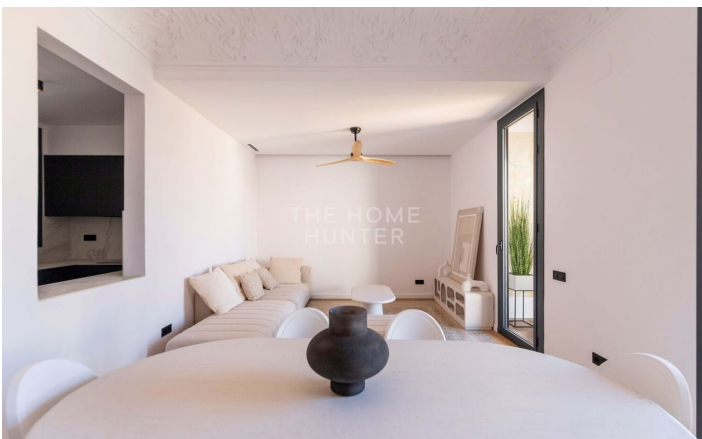

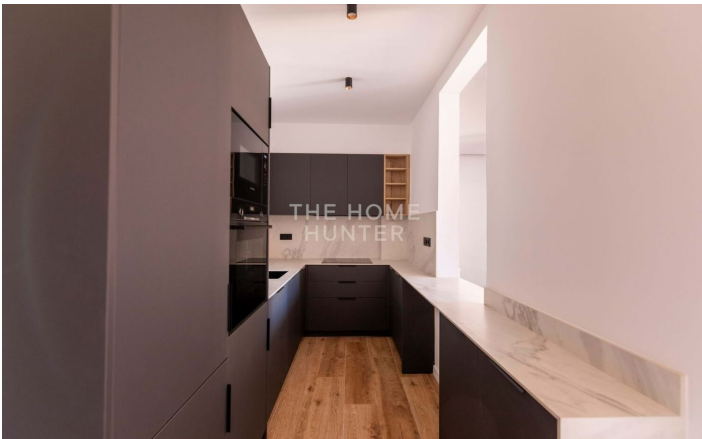

This apartment is a first floor and will be renovated in 2024. It has 125m² shared, of which 115m² correspond to the apartment and 10m² to the terrace. It has four bedrooms (two doubles), built-in wardrobes, two complete bathrooms (one of them en suite), large living-dining room with access to the terrace, open kitchen and laundry area. It also has double glazed windows and hot/cold air conditioning. The building, from 1960, has an elevator.

You will love it!
