Many times I am guided by smells. This apartment, recently renovated, smelled new and I really like that. But it seems even better to know that in a few months it can smell completely different: like fresh flowers, freshly baked cookies, your favorite shampoo... That is also part of a home, the stored memories. And I can't think of a better place to do it than an apartment like this, large, with balconies and in a privileged location.

This 88m² second floor (third real) was renovated in 2024. It has a double bedroom with a terrace, a single bedroom, built-in wardrobes, two full bathrooms, a spacious living-dining room with a balcony and an open kitchen. It also has double glazed windows, air conditioning and hot pump. The building dates back to 1929 and has an elevator.

You'll love it!
