

Gran via / Quadrat d'or

Eixample / Barcelona

€985,000

This apartment in Gran Via is not finished yet, but the renders are more than enough to have an idea of how amazing it will be. With three terraces, enjoying the city views will be almost an obligation. It's such a luck to have an apartment like this and even better to be able to show you.

This apartment is a penthouse that is being renovated, it is expected to be delivered in September 2024. It has three double bedrooms, one with access to the terrace, it has three wonderful level terraces, built-in wardrobes, two full bathrooms (one en suite), large living-dining room opened to the terrace, open and equipped kitchen and storage room. It has double glazed windows and hot/cold air conditioning. The building, from 1955, has an elevator.

You'll love it!
