

Gignàs / Plaça de Correus

El Gòtic / Barcelona

€360,000

Surely this apartment will sound familiar to you, since a few weeks ago we published a very similar one. On the same building as the previous one, we found this nest that, like its brother, had a very hospitable air. That warm that cannot be built, but rather it has it or not. And this floor had it. The only thing it lacks is people, laughter, conversations that never end and movement.

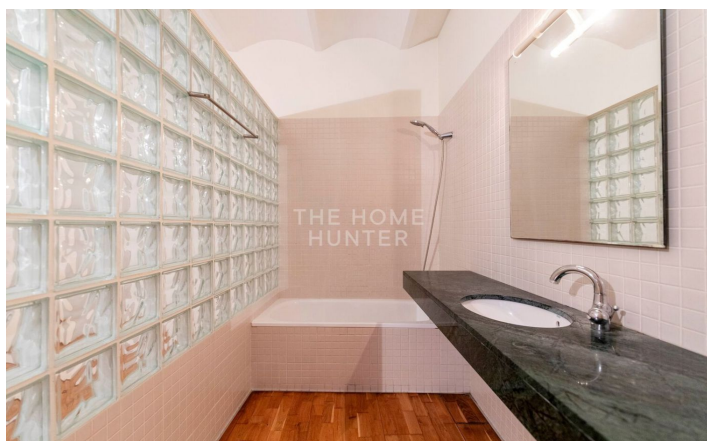

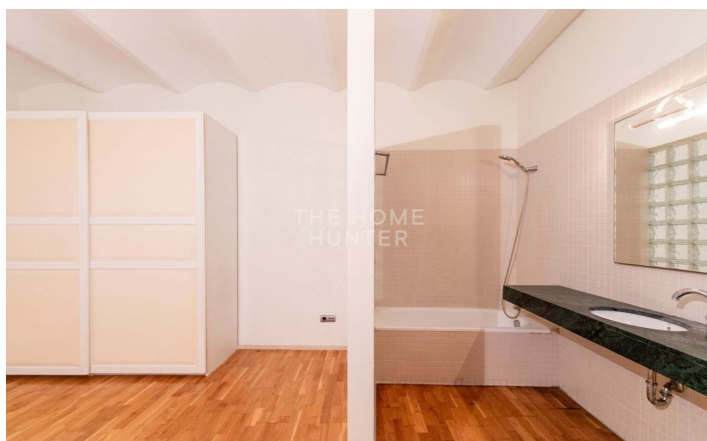

This 72m² apartment is a third floor completely renovated in 2009. It has a double bedroom (with the possibility of making two), a bathroom, a toilet, a large living-dining room, a separate kitchen and a laundry room. It also has air conditioning and gas heating by radiators. The building, from 1800, has an elevator.

You will love it!
