

Carrer del Pi / Gòtic

El Gòtic / Barcelona

€320,000

Sometimes the best decisions are made in moments of whirlwind. Today we present this nest in the Gòtic, on a very good street very close to Plaça Sant Jaume and the Barcelona Cathedral. How I like these apartments that allow you to immerse yourself in the history of the city.

This 71m² apartment is a fifth in the Gòtic neighborhood. It has a double bedroom, a full bathroom with a bathtub, a large living-dining room, a space that can be an office, study or second room open to the living room and an open kitchen. The heating is gas radiators and the apartment has wooden floors and ceilings with exposed beams as well as Catalan vaulting. The house is from 1900.

You will love it!
