El Raval / Barcelona

€490,000

Far beyond than becoming a home, this space is divided into two floors, although it is a single registered entity, to guarantee endless possibilities. And I really like that, knowing that you have options, that it can become something more.

This apartment divided into two is a single registered entity of 112m². It is a second floor and Apartment A has two double bedrooms, built-in wardrobes, two full bathrooms (one en suite), open kitchen and dining room. In apartment B there are two double bedrooms, built-in wardrobes, a bathroom, open kitchen, large living-dining room and a laundry room. The building dates back to 1900 and does not have an elevator.
