

## Riereta/Sant Pau

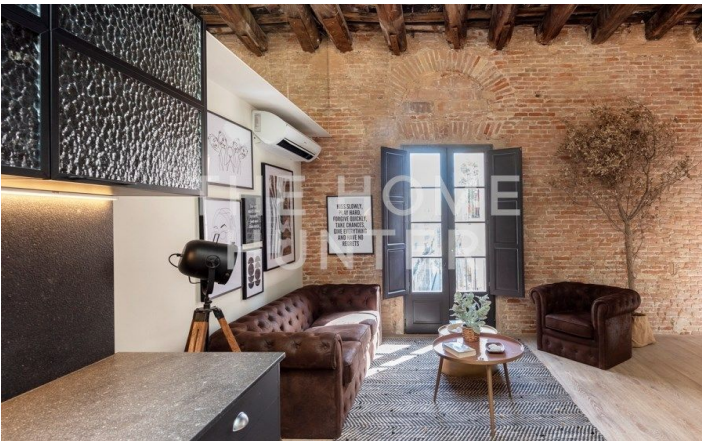

El Raval / Barcelona

€560,000

Without a doubt a very special property but above all very characteristic, a concept that we had barely seen. For those of you who like the hustle and bustle of the center this is for you, it's like being there and not being there. The hectic pace of the center calms down and stops as soon as you set foot on the floor, and not only on the floor, but also in each and every one of the community spaces that the building has (old factory, brutal, It's worth seeing.)

The apartment is a 4th floor duplex type of 90m<sup>2</sup> built, of which 50m<sup>2</sup> are floor, 26m<sup>2</sup> terrace and 15m<sup>2</sup> loft. On the ground floor we find the living room next to the kitchen, the bedroom and the bathroom. A loft and finally a 28m<sup>2</sup> terrace at the top.

You will love it!
