

Ramón y Cajal / Gràcia

Gracia / Barcelona

€465,000

I really like seeing details on apartments that give them harmony. In this case, the wood finishing touches of both the furniture and the floor, and those sliding doors! I love them, they give it a special, rustic touch. And having that feeling of warmth, of home, in the middle of the Gràcia neighborhood is amazing.

This 67m² apartment divided into 61m² of floor and 6m² of balconies is a second floor renovated in 2022. It has a double bedroom, a single bedroom, a full bathroom, a large living-dining room with access to a balcony, an open kitchen and a laundry room. It also has double glazed windows, air conditioning and gas heating by radiators. The farm is from 1936.

You'll love it!
