I like these gray days, because it's like goes slower. And during this time of the year, it's great to be able to slow down. I invite you to stop and have a look at this home, which is a beautiful apartment with a lot of light and ready to start living in it.

This 74m<sup>2</sup> apartment is a real sixth floor, all exterior with views. It has three bedrooms (two doubles and one single), a full bathroom, a semi-open and equipped kitchen and a living-dining room. It has a hot/cold pump and double glazed windows. The property has an elevator.

You'll love it!
