

Passeig de Gràcia / Diputació

La Dreta de l'Eixample / Barcelona

€1,810,000

Having this home on Passeig de Gràcia is a luxury. Being able to enjoy this street and everything around it and then returning to the comfort of a spacious and beautiful home... I don't think there is anything better. This home has a lot to offer, it just takes someone who wants to enjoy it, who wants to turn their life around towards new adventures and chapters that, of course, will remain to be remembered.

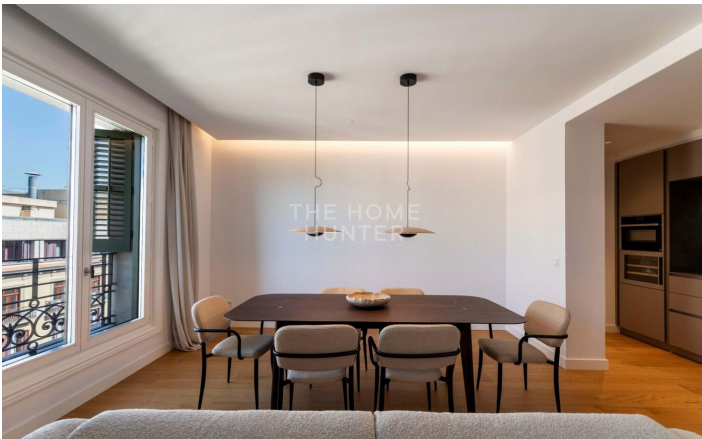

This apartment has 124m² and is a room. Both the building and the apartment were renovated in 2019. It has two double bedrooms with access to a balcony, built-in wardrobes, two complete bathrooms (one of them en suite), a large living-dining room with access to a balcony and an open and equipped kitchen. They have double glazed windows and hot/cold air conditioning through duct. In addition, the building has a community terrace and swimming pool, elevator and concierge 24 hours a day, 365 days a year. There are four homes per floor.

You will love it!

About La Dreta de l'Eixample

La Dreta de l'Eixample is one of the **most central areas of the city**, considered by many as the **heart of Barcelona**, with a large collection of modernist buildings. A highly sought-after area with exclusive penthouses and fabulous apartments in stately buildings. Many of the **Eixample** buildings are the work of modernist architects and retain fantastic original elements; high ceilings, mosaic tiled floors, corniced ceilings, and lots of natural light. **Avenida Diagonal, Paseo de Gracia, and Rambla Catalunya** are its select international boutiques, prestigious offices, and some of the best restaurants in Barcelona, completing the offer of this district, which is excellently connected by public transport and surrounded by a wide tourist offer.
