Les Corts / Barcelona

€1,000,000

I don't like gray days at all. Although they give us a break from the heat of recent weeks, there is nothing like blue skies and sunshine. But, good or bad weather aside, here we are still at the foot of the canyon with spectacular apartments like this one. More than 150m² in Les Corts and renders that make your eyes wide open.

This great apartment in Les Corts of 158m² is a third floor currently being renovated. It has four bedrooms (three doubles and one single), two full bathrooms, balcony, large living-dining room, separated kitchen and built-in wardrobes. It has air conditioning, east/west orientation. The building, from 1942, has an elevator.

You will love it!
