

Mas de Roda / Poblenou

Poble Nou / Barcelona

€2,650

The discoveries of Poblenou fascinate me. Like this triplex apartment, I love the building, I love the area and I love the type of housing. It is without a doubt the graphic definition of this neighborhood. High ceilings, bricks, open spaces, old industrial area... All this makes for a very characteristic and beautiful pack.

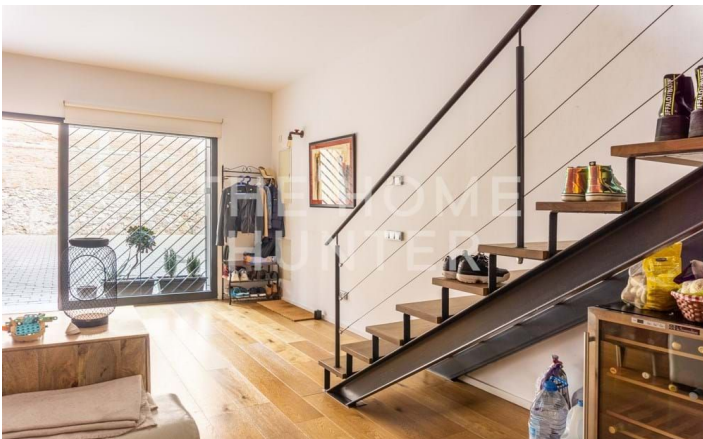

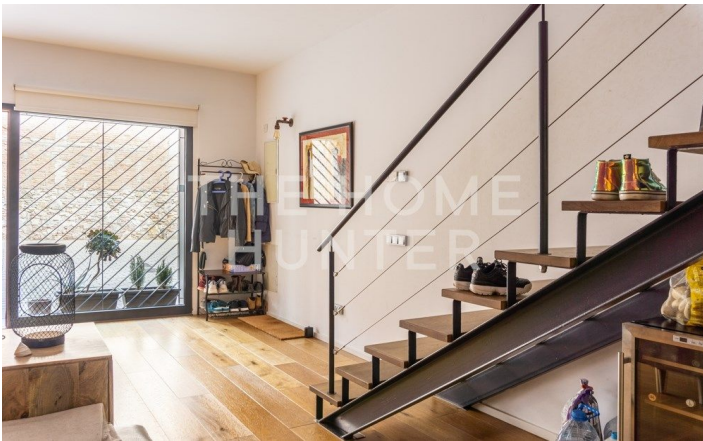

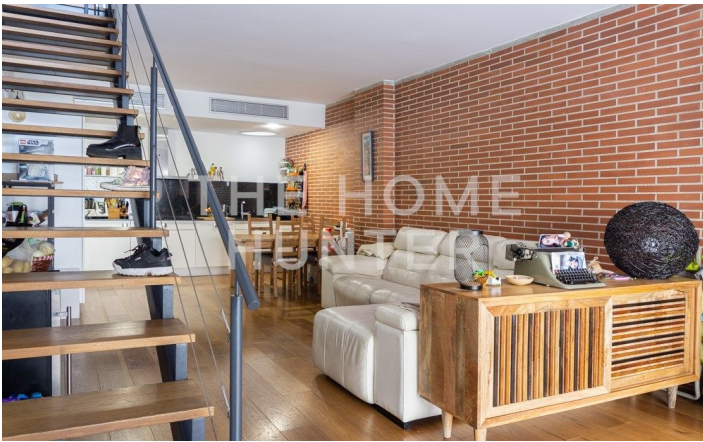

It is a 118m² triplex loft, on the main floor, where you enter, there is the living-dining room and the kitchen, all open and the kitchen equipped. Climbing the stairs we reach the upper part where there is a double room with its bathroom and finally on the third floor the second room with a bathroom. It is all semi open, it has a very special and charming touch.

You will love it!
