Poble Nou / Barcelona

€440,000

Time passes for everyone, homes included. I love to see how the apartments evolve, just like people, and I love seeing a white canvas to start painting on like this apartment, remodeled in 2023 and ready to start living in it.

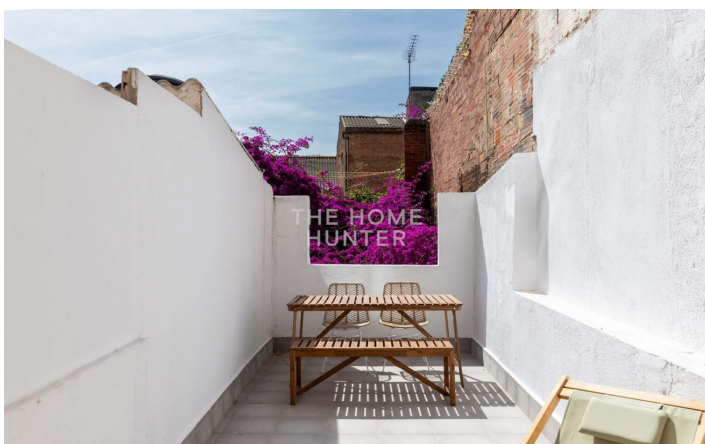

This apartment in Poblenou has 90m² of which 84m² correspond to the apartment and 12m² to the terrace. It was renovated in 2023. It has two double bedrooms (one with a balcony), a full bathroom, a large living-dining room with access to the terrace and an open and equipped kitchen. It has double glazed windows. The building dates back to 1900 and does not have an elevator.

You'll love it!
