

Alt Building / Selva de Mar

Poble Nou / Barcelona

€2,000

Many of us emerged from confinement with the clear idea of never working from home again. It has advantages, I'm not saying it doesn't, but there is nothing like having your colleagues at a table away to be able to answer questions or simply comment on anecdotes. Plus, all those coffees and shared moments of rest are priceless.

This office building is new construction and seems idyllic for those looking for a space to work as a team. This new construction office building has between 416 and 11,141m² for rent. It has air conditioning, adapted toilets, concierge, fire detection and 24-hour security. It has a lot of natural light as well as a terrace and parking spaces in the same building. Building built in 2022, now available.

You will love it!
