Sant Andreu / Barcelona

€275,000

This loft takes advantage of every corner to transform these walls into a unique and very pleasant space. My favorite detail, that brick wall that makes it modern and innovative, to counteract its more hospitable and warm atmosphere. A wonderful and very special space.

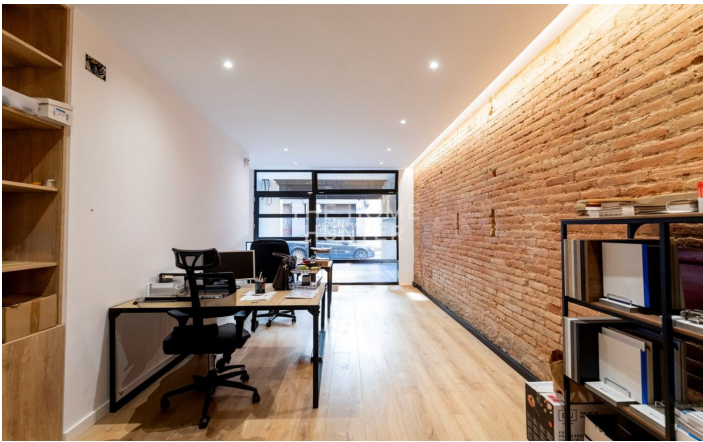

This ground floor is a 105m² loft/studio with access from the street and from the lobby. It was renovated in 2020 with exposed brick and parquet floors. It has a hall or motorcycle or bicycle parking, study/office, a double bedroom, a study, dressing room, living room, an open space of 1m², open kitchen and a bathroom. It also has LED lighting and pre-installation for air conditioning. It is delivered without furniture and is now available.

You will love it!
