Sant Antoni / Barcelona

€1,425,000

In Barcelona we returned from vacation today and my head is still in these days of disconnection. Although there is no need to tell you when we have these photos. We showed you the living room of this nest a few days ago through stories and many of you already loved it just by seeing that, so I'm sure you'll end up falling in love with it when you see the rest of the rooms. It is a home that breathes love.

This 182m² apartment is a third floor that has been renovated this year 2024. It has three double bedrooms, with built-in wardrobes, three complete bathrooms (two of them en suite), a spacious living-dining room with access to a balcony and an open kitchen and equipped. The apartment has double glazed windows, air conditioning and electric heating. The building dates back to 1900 and has an elevator.

You will love it!
