Sant Gervasi - Galvany / Barcelona

€2,100,000

I think we're going to remember this apartment for a long time because every photo seems better than the last. I wouldn't know what to choose — the terraces, the bright and airy bedrooms, or that inviting, family-friendly living room. Overall, an oasis in an incredible area, a perfect home.

This penthouse is on the fifth floor with a total area of 197m², of which 179m² are indoor space and 36m² are terraces. It features a spacious living-dining room with access to the terraces, an open and fully equipped kitchen, a laundry room, three double bedrooms with terrace access (one with a walk-in closet), one single bedroom, two full bathrooms (one en suite), a guest toilet, built-in wardrobes, and two storage rooms. It also has double-glazed Climalit windows and air conditioning (hot/cold). The building, from 1936, has an elevator.

You'll love it!
