This little apartment seemed very cozy to me. When I saw the photos, I could feel that warmth of a home, as if the apartment was enveloping you. And that is very nice, to feel that an apartment welcomes you, that it opens its doors to you. Because that is the sign that that home is going to be the scene of impressive adventures.

This 71m² second floor was renovated in 2021 and has a double bedroom, a single bedroom, built-in wardrobes, a full bathroom, a large living-dining room with access to a balcony, an open kitchen and a laundry room.
