

Major de Sarrià / Margenat

Barcelona / Barcelona ciudad

€1,100,000

Right now we don't have many photos to show you of this apartment, but we can assure you that it is quite a spectacle. That terrace with views is ideal and one thing that I really liked was that two bedrooms, as well as the living room, are open to the terrace, creating incredible harmony. It is an investment opportunity, as it is currently rented until 2026, but it can also be an opportunity to start in a wonderful space. A flat with possibilities.

This penthouse with views in Sarrià has 132m² shared, of which 114m² correspond to the house and 36m² to the terrace. It has a parking space and storage room included in the property and is rented until 2026. The apartment has three bedrooms, two full bathrooms, separate kitchen and laundry room. It has heating by radiators and air conditioning. The building, from 1980, has an elevator.

You will love it!
