

Alfons XII / Sarrià-Sant Gervasi

Sarrià / Barcelona

€1,595,000

To me, houses are the soul's reflection. You can know a lot about a person seeing their apartments, the decoration, the rooms. That's why I love seeing how you build your homes. One of the most beautiful things about this job is giving you that safe space that allows you to express yourselves.

This penthouse is a sixth floor of 195.42m² divided into 154m² of floor and 82.85m² of terrace. It is renovated in 2024 and has three double bedrooms, a multi-purpose space or office, built-in wardrobes, two bathrooms (one en suite), a toilet, a large living-dining room with access to the terrace and an open kitchen. It also has double glazed windows, air conditioning and central heating. The building dates back to 1957 and has an elevator.

You'll love it!
