Vallcarca i els Penitents / Barcelona

€880,000

This ground floor is wonderful. The big windows, the glass doors, the frames... These architectural details give it a very classic atmosphere. I can imagine all this combined with a great remodeling, modern furniture, art on the walls and a house full of color. I would do it right now.

This beautiful and bright apartment has 238m² and is an exterior ground floor. It is to be renovated and currently has five bedrooms, two full bathrooms, a large living-dining room and a separated kitchen. It has double glazed windows, air conditioning and gas heating by radiators. Right now the building, from 1932, does not have an elevator, but its construction is approved.

You'll love it!
