

Can Palau/Girona

Cassà de la Selva / Girona

€1,850,000

It was like going on a hike. Run, come, prepare the backpack and the food and we're leaving. It was a different day, that's for sure. But what a pleasure to get there and find ourselves surrounded by nature, where you only hear the noise of it. The first thing I thought when I arrived was to leave all my things and run around. I could talk for hours and hours about a place like this, but I think I would never be able to summarize what I felt. You have to see it, feel it.

This renovated two-story country house has 35 hectares of which 10 are fenced and more than 600m² built. It has five bedrooms, four bathrooms, a living room/library with fireplace, a large dining room, office, games room, kitchenette, service entrance, car access to the door and an infinity pool style swimming pool facing the sunset sun. In addition, it also has stables with capacity for four horses, a lake, a dog house, covered parking for three cars, panoramic orientation and oil heating.

You will love it!
