This cool study is back with us, and what a joy! It is perfect if you want something to work in peace or to directly settle in and start a new chapter. It is modern, with incredible common areas and close to very interesting places, such as the German School.

This loft is a 103m² ground floor. It has two double bedrooms with a dressing room, a living-dining room, an open kitchen equipped with high-end Bosch appliances, a laundry room and a bathroom. In addition, its communal areas are landscaped and it has a swimming pool and playground. It has a security door, concierge, video surveillance, video intercom and double-glazed windows.
