Imagine this: It's the middle of July, you come home after a long day, kick off your shoes, change into the first swimsuit you find, and head straight to your private pool. A little sunbathing, a refreshing swim, and watching the sun set—stretching the day as long as possible. This dream can become a reality here.

This brand-new 260m² home sits on a 198m² plot. A four-story single-family house (basement, ground floor, first floor, and attic level), it offers a spacious living-dining area with terrace access, an open-plan fully equipped kitchen, and four en-suite bedrooms (one double). Additional features include four full bathrooms, a guest toilet, built-in wardrobes, a garden, a private pool, a garage space, and a storage room. The house is also equipped with air conditioning and heating.

Our services incur no cost to the purchasing client.
