€2,750,000

Imagine waking up every morning in your own oasis in Madrid. Opening the doors of your garden surrounded by palm trees, summer afternoons with the family enjoying the fresh air... It is like having a secret garden in the center of the city and it is located in the Fuente del Berro neighborhood. But beyond the wonderful surroundings, its garden and everything outside... Inside it is a delight. It is newly renovated and waiting for that new chapter in your life. It enjoys a privileged location with easy access to the center of Madrid, within the M30 without crowds. With schools, hospitals, cultural centers and commerce in the neighborhood. Garden with lush vegetation, with palm trees over 50 years old and where in the future you can have your own pool. A few meters from the Fuente del Berro park.
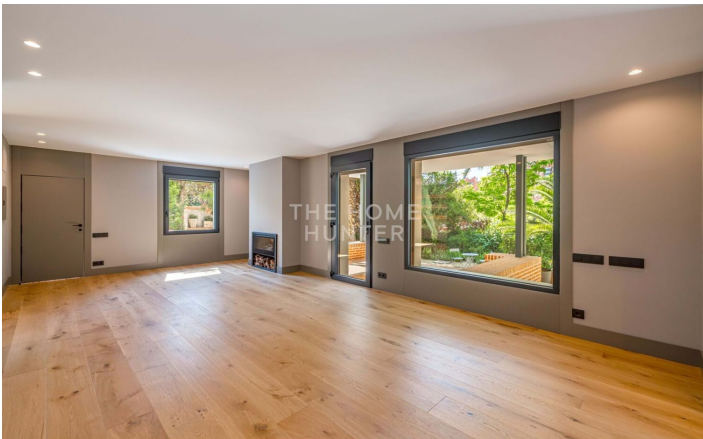

You will love it!
