Being able to show you this rental is exciting. It's in a small palace and it's a two-story apartment, a beautiful and sweet place. You can give an apartment a special touch through many things, but having a base like this one, that instills so much just seeing it... Wonderful.

This duplex in a 1900 mansion has 175m² of surface area divided into 70m² on the first floor, where we find a large living-dining room, separate kitchen, a double bedroom with en-suite bathroom and three balconies overlooking the patio. On the second floor, of 62m², there are two double bedrooms and two full bathrooms. It is located on the 3rd and 4th floors of the building, which dates back to 1900 and has a lift. The flat was renovated in 1997, has built-in wardrobes, double glazed windows, air conditioning and individual heating. There is a parking space in the building.
