

## Paseo de la Habana / Chamartín

Hispanoamérica / Madrid

€2,200

I spend these last few days taking advantage of saying goodbye to summer. Last outdoor dinners, last sunsets, last Sundays with your feet soaking in the pool... Now comes the time of year to want to be one with the sofa, with a blanket and a movie, with thick socks and steaming mugs. And there is nothing better than having all that in a place that breathes home, familiarity and good vibes like this rental in Madrid. An amazing place waiting for its next tenant.

This apartment has 76m<sup>2</sup> and is a whimsical apartment on the ground floor with views of the urbanization. It is in excellent condition and has a bedroom with a dressing room, an en-suite bathroom, a toilet, a living-dining room with a fireplace and a Gunni Trentino island kitchen with top brand appliances. It has porcelain floors, hidden doors, air conditioning through hot and cold ducts and central heating (flat radiators). The carpentry is custom made. The building dates back to 1973, it has an elevator as well as a swimming pool and common areas and a concierge. The apartment is delivered unfurnished, although there is the possibility of renting it furnished (check price).

You'll love it!
