

Cabestreros III / Embajadores

Embajadores / Madrid

€270,000

Small but mighty—that's how I would describe this apartment. A brand-new gem, fully furnished, completely renovated, filled with light, and radiating a cozy, homely feel. We're lucky to have these apartments, and even luckier to soon be able to show them to you.

The photos do not correspond to the apartment as it is still under construction. This fifth-floor exterior unit has 30m² and is brand new. It features a living-dining room, an open, fully equipped kitchen, one double bedroom, one bathroom, and built-in wardrobes. It comes with hot/cold air conditioning and is northeast-facing. The apartment will be delivered furnished. The building, dating back to 1900, has an elevator.

You'll love it!
