Embajadores / Madrid

€270,000

This development in the Lavapiés neighborhood is currently undergoing renovation, featuring brand-new, fully furnished studios. At the moment, we only have renders, but they already give a glimpse of how beautiful (and well-designed) these cozy spaces will be. I encourage you to visit, explore this charming building, and discover the neighborhood where it's located.

This development offers twelve units, both interior and exterior. The building, which has undergone a complete refurbishment, has three floors. The studios range from 29m² to 37m², with delivery expected in June 2025. They include a living-dining room, an open and fully equipped kitchen, a bathroom, built-in wardrobes, air conditioning (hot/cold), floating laminate flooring, and double-glazed windows. The building, dating back to 1900, is east-facing. The studios are delivered furnished, and the property has an elevator.
