

San Hermenegildo III / Conde Duque

Centro / Madrid

€270,000

I apologize because we aren't able to show you the real photos of this apartment, but it will be amazing. Here you have the example of the pilot apartment, so that you can have an idea. A space to make yours, to enjoy Madrid fully.

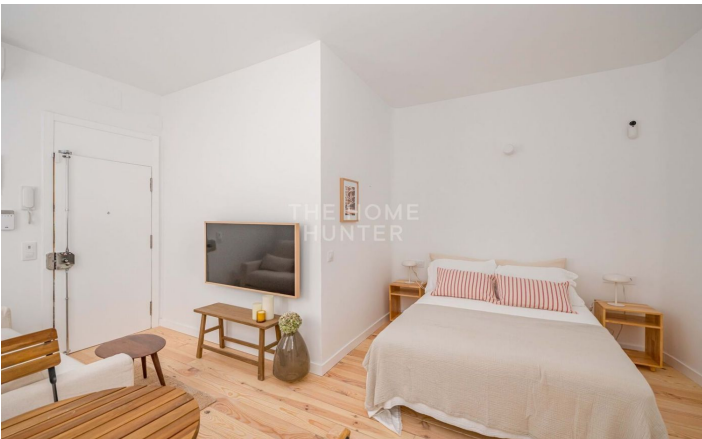

This 30m² apartment is a brand new third floor. The photos correspond to those of the pilot apartment, because this one is still under construction. It is an interior studio with windows overlooking the patio, built-in wardrobes, a bathroom, a bedroom, a living-dining room and an equipped and open kitchen. It has hot/cold air conditioning, pine floors and is delivered furnished. It faces north and east and the property dates back to 1900.

You'll love it!
