Universidad / Madrid

€1,195,000

Malasaña lovers, we present to you an authentic gem. A design space that includes a spectacular private patio with checkerboard flooring and retractable glass roof. Without a doubt, my favorite space. I imagine being there at any time and in any season of the year. Without forgetting that living room with a vaulted ceiling and large windows is a space full of light and style or that kitchen ideal for entertaining friends and family.

You will love it!
