Mollet de Peralada / Girona

€780,000

I love special properties, those that have a super unique touch, that seem to have a life of their own. Like here, in the middle of nature we find this fun, cozy and comfortable property. With that pool, its interior and the garden full of green, it is the perfect setting for the approaching summer.

This two-story house was built in 2016. It has 541m² and is on a 1010m² plot. On the main floor, measuring 232m², there are four bedrooms (three doubles), built-in wardrobes, four bathrooms (three full and two en suite), large living-dining room, open kitchen and laundry room. In the 239m² ground floor porch there is a multipurpose and open space. The house has a private pool and garden with fruit trees that surround the house, garage for two cars, a storage room, double glazed windows, ducted air conditioning and heating. The house has permission to build 80m² more on two floors.

You will love it!
