

## Cal Pou / L'Astor

Pujalt / Barcelona

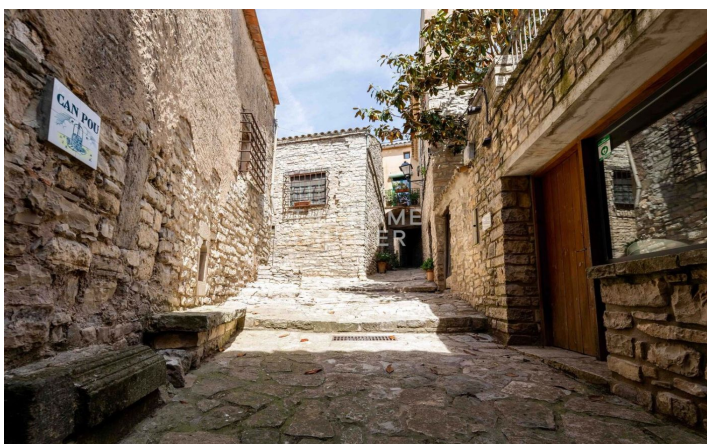

€199,000

Pujalt is one of those places that takes you back in time. With stone streets, full of arches and vaults, and with gardens and trees wherever you look at, it's a place where everything seems to come alive and bring you back to medieval times. The magic I felt when we visited this house, which is an amazing property for all of you who want a big challenge. With a new look and some remodeling, it will be like a fairytale. The perfect excuse to scape the city and enjoy the quiet of nature.

This house is 534m<sup>2</sup> and it needs remodeling. It has four floors and it was remodeled in 1971, even though the building is from 1900. It has seven bedrooms, two bathrooms, living/dining room, separated kitchen, a small 10m<sup>2</sup> terrace and patio with barbecue and a well. It has wood beams, heating through radiators and fireplace. It is available with or without the furnish.

You'll love it!
