

Sant Feliu de Codines / Vallès Oriental

Barcelona / Barcelona ciudad

€520,000

A beautiful country house, that has that rustic air, with wonderful details, that has that stately appearance of old houses and that, furthermore, is not far from Barcelona. All of this has this very special property. Like the garden, reading a book in the library, with the beautiful ceiling painted by Fèlix Mestres Borrell, resting in one of the rooms... It's like getting into a classic novel, but in real life.

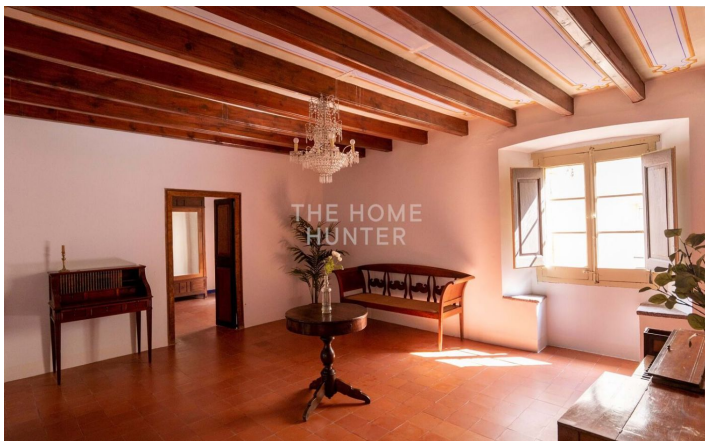

This 495m² house is divided into 418m² of house, 381m² of land and 232m² of garden. It is a rustic house divided into 4 floors. On the ground floor, there is the living-dining room with access to the garden, fireplace, library, separate kitchen with access to the garden and a double suite room. The first floor has four double bedrooms, a full bathroom and a large hall. The second floor is an open-plan space with attics (with the possibility of making several rooms) and, finally, the loft floor is a room or study. The house has original materials, as well as original paintings by Fèlix Mestres Borrell. It is located in the historic center of Sant Feliu de Codines and has pre-installation of radiator heating.

You will love it!
