Sant Just Desvern / Baix Llobregat

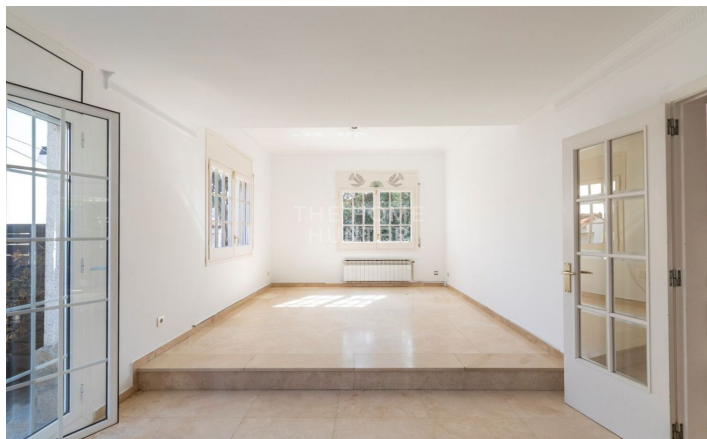

€740,000

Sometimes I think about escaping the city. Go somewhere else, change of scenery... Something that is new, a challenge, that is not a habit. But that is not always easy, although there are a thousand alternatives to try to satisfy that desire. An option that seems great to me is opting for a house close to Barcelona to escape the routine for a bit. Like this nest in Sant Just Desvern, perfect for disconnecting without going too far, divided into three floors and with a terrace to breathe fresh air.

This 247m² house is divided into three floors. In the basement, there are two double bedrooms, a full bathroom, a living room with exterior access and a storage room or laundry room. On the ground floor there is a living room with exterior access, a separate kitchen, a double bedroom, a full bathroom and an office. Finally, on the upper floor there is a double bedroom, a full bathroom and a 13m² terrace. The house has air conditioning and gas heating by radiators.

You will love it!
